

STILL LOST

"Blackie" Pedigree Blackbird (Male).

He is a very friendly birdie last seen flying past our garage on Tuesday December 30TH '03.

(With the driver of the white Ford Transit van that was speeding past very fast at about 1.27 pm please ring up if he/she hit our Blackie. We would rather know)

Likes Bread and Worms. Will sing quite loudly. We want our "Blackie" back so, please, please please, please ring if you have seen him
